

Welcome! We will begin shortly.

Event topic:

# How are we **engaging families during this time** to create a more resilient, equitable, and just human services sector?

- If you have any tech issues, **look for the helpers with this icon:** 
- We encourage you to rename yourselves so others can know you better (your name, pronouns, organization, etc.)
- Can you guess the decade this song is from? Share it in the Chat!
  - Hint: 60s, 70s, 80s, 90s, current

# Where do you see yourself in the system?

*In your group:*

- Take a few minutes to introduce yourselves*
- Share why you see yourself in this part of the system.*

# Roles

## *Three ways to engage*

- Invite conversations (caller)*
- Participate conversations (bumblebee)*
- Witness conversations (butterfly)*

# Law of movement

*If you are in a conversation where you are neither learning nor contributing, move.*

# Principles

- 1. Who ever arrive are the right people*
- 2. Whatever happens is the only thing that could have*
- 3. Whenever it starts is the right time*
- 4. When it's over, it's over*
